Description

Our client is looking for a global equity manager. The ideal candidate will be responsible for the oversight of the company's global equity-based comp program, interacting with directors, officers, executives, and stock incentive program participants. There will be no direct reports. This is a global company.

The job is based in Ohio and requires four days a week onsite, with one day remote. Relocation package available. Great salary and benefits. Awesome people to work with.

Key Responsibilities

- Oversight of the company's global equity-based comp program.
- Regular interaction with directors, officers, executives, and stock incentive program participants.

Key Qualifications

- Global experience is required.
- Proficient in MS Excel with strong analytical capability.
- CEP would be helpful.
