## Administrative and Customer Service Solutions

*SC specializes in "talent."*

## We specialize in placing ...

- Administrative Professionals
- Customer Service Representatives
- Clerical and Data Entry Professionals

We tailor recruiting services to your company needs. We provide professional resumes that are targeted to job specifications.

We allow our clients to avoid the expenses of advertising and recruiting by augmenting the human resources process that you already have in place.

## One stop shop for project based staffing

Project based staffing , also known as contract staffing, allows you the convenience of readily available employees who can be released with no further obligation at the end of your project.

When you are ready to bring specialized skills on board for a defined timeframe, SC Staffing & Consulting will provide professional, quality candidates with the right experience to get the job done.

Sometimes a project becomes a continuing concern or a project based staffer becomes a exceptional team member for you. When this happens we can help you make a smooth transition from project based staffing to your next new hire.
